

**eOx<sup>®</sup> Truck Clean 300 HF***Product-Code: 2717***PRODUCT INFORMATION****DESCRIPTION**

**eOx<sup>®</sup> Truck Cleaner 300 HF** is a very powerful and strong concentrated light alkaline cleaner, with a very special composition, specially designed to clean trucks. This liquid cleaning product is extremely useful for cleaning and degreasing of greasy, with oil besmeared surfaces, and so called static dirt.

**APPLICATION**

**eOx<sup>®</sup> Truck Clean 300 HF** can be safely applied to most materials, including aluminium and synthetics.

**ADVANTAGES**

- Non- flammable, Non-Poisonous, Phosphate free, Non-toxic
- High bio-degradability
- Meets all EEG Regulations
- Safe for use on ferrous and nonferrous materials, including aluminium, plastics, lacquer and paints

**DIRECTIONS FOR USE**

**eOx<sup>®</sup> Truck Cleaner 300 HF** is usable with all kinds of equipment and accessory. On the basis of samples the optimal dilution has to be found with regard to the present pollution-equipment- temperature- water-pressure and time.

By pressure cleaner: Average dilution 1 to 2 % on the spray head and an average usage temperature +- 50° C.

Place the diluted product from below to above on the object.

Give it some time (2-10 min.) to effect. (Don't let the product dry) then wash away with warm water and under high pressure. The lines of action above give the best cleaning result, depending of the named variables.

**SPECIFICATIONS**

Purpose: Special intensive cleaner  
Usage Temperature: Not critical  
Storage Temperature: Do not store or use under 2°C (35°F) – and not above 50°C (122°F)  
Solubility in Water: 100 %  
Flashpoint: N.a.  
pH-value: Ca. 10  
Waste information: Removal as waste according to local and national prescriptions  
Danger Class: None

Package: 25 L. Jerrycans - Barrel 210L – IBC 1.000L  
Shell live: 4 Years
