

### DESCRIPTION

**eOx Sanipower** is a sanitary cleaner for periodical use, and suitable for floors, walls, lavatory pans, public lavatories, wash basins and so on. It is a concentrated product and very economical to use.

### APPLICATION

**eOx Sanipower** is concentrated and should be diluted with water from 1:3 till 1:10.

### ADVANTAGES

**eOx Sanipower** effortlessly removes scale, corrosion and other filthiness and leaves a fresh odour.

### CLEANING METHODS

**eOx Sanipower** can be applied by hand.

To avoid any irritations, we advise people with a sensitive skin, to wear protective clothing. Don't use **eOx Sanipower** on acid sensitive materials like marble, travertine, aluminum and so on.

Depending on the cleaning method, bring the solution on by sponge, bristle or mop and then absorb the dirt. Afterwards clean with a cloth. If used on floors, rinse with water.

### HACCP

This product is suitable to fit in a HACCP program for food safety working method.
