

Extreme Grease Remover*Product-Code: 3504***PRODUCT INFORMATION****DESCRIPTION**

eOx EGR Extra (Extreme Grease Remover) is a cleaner based on fatty esters and emulsifiers. Powerful cleaner with specific additives for a so universally possible employability at cleaning and degreasing applications.

The product is environmental friendly, biodegradable and has no smell.

ADVANTAGES

eOx EGR Extra is a replacement for vapor degreasing solvents, chlorate products and solvent/emulsion cleaners.

APPLICATION

eOx EGR Extra is used for removing asphalt, crude- oils, heavy oil and fats and is applied for cleaning:

storage tanks, tank wagons and tank walls, cars, heat exchangers, pipelines, floors etc. The operation of **eOx EGR Extra** is twofold:

1. Dissolve and resp. soak of the pollution.
2. Emulsification of the dissolved oil and/or disperse by the powerful rinse thoroughly with water; making that an effective cleansing is obtained.

The formed emulsion is not stable which formed an offshoot of the dirt is obtained in the oil separator.

SPECIFICATIONS

Purpose:	Special intensive cleaner based on natural esters
Usage temperature:	Not critical
Storage temperature:	Frost free, not in direct sunlight
Solubility:	n.a.
Flashpoint:	n.a.
pH-value:	> 6 <8
Waste information:	Removal as waste according to local and national prescriptions
Danger class:	none

Package: 25 L Jerrycan, Barrel 210 L, IBC 1.000 L

Shell Life: 4 Years
